Strong Interest in “Litigation Readiness for Companies Without a Lot of Litigation”

**MOUNTAIN VIEW, Calif. — (September 13, 2010)** — Contoural, Inc., a leading independent provider of records information management and litigation readiness services, announced it was selected to present at the annual Association of Corporate Counsel meeting in San Antonio, TX at 2:30pm CDT on Monday, October 26<sup>th</sup>.

Mark Diamond, President & CEO, will lead a panel presenting on “Litigation Readiness for Companies Without a Lot of Litigation.” Additional panelists will include Joseph J.

Catalano, Senior Vice President and Chief Litigation Counsel for Union Bank in San Francisco, and David F. Katz, Legal Counsel for Aaron’s, Inc. in Atlanta.

“Much of the discussion around litigation is focused on companies involved in numerous lawsuits, but the reality is most organizations face few lawsuits of any significance each year,” said Diamond. The panel will address what should these low-litigation companies do to prepare. “Many inside counsel believe they should probably be doing something, but they question how much preparedness do they really need, and how do they balance this with restrictive budget.”

In addition to the panel presentation, Contoural will be exhibiting at the conference (Booth #303). Attendees will have the opportunity to meet and converse with leading thought leaders on litigation readiness, records compliance and change management.
