Contoural Announces Complimentary Advanced Records and Information Management and Litigation Readiness Symposium

Palo Alto, CA Event on January 27, 2011 aimed at in-house legal, records management and IT professionals.

MOUNTAIN VIEW, Calif. — (December 17, 2010) — Contoural, Inc., the largest independent providers of records & information management and litigation readiness consulting services, announces a complimentary symposium on Advanced Records & Information Management and Litigation Readiness to be held in Palo Alto, California on January 27, 2011. This event is being held in collaboration with the ARMA Silicon Valley Chapter.

This day-long event will feature presentations from industry thought leaders, a panel discussion from in-house practitioners as well as a peer-to-peer lunch conversations. The focus of this event is bridging legal, records management, compliance and IT to achieve real-world, impactful events. In addition to presentations, leading technology providers will be exhibiting their solutions and be available to answer questions.

The symposium is aimed at in-house legal, records managers, compliance and IT professionals. Attendees are encouraged to invite cross-functional members of their records management, e-discovery and archiving teams. While advanced topics will be discussed, the technical and legal content will be suitable for lay attendees. A CLE credit application is in process for this event. Registration is complimentary for qualified applicants.

The symposium will be held at the Crowne Plaza Hotel in Palo Alto, CA from 8:00am to 4:00pm. Registration information, as well as the event agenda and speakers' bios are available at www.contoural.com. Pre-registration is required.

About Contoural

Contoural is the largest independent provider of records information management and litigation readiness consulting services. Its clients include more than 20% of the Fortune 500, as well as a number of mid-sized companies as well as public sector entities.
